

MATCH DAY PROTOCOLS DURING COVID-19

Let us all work together to reduce the possible spread of Covid-19 ensuring our players continue to play the game they love this spring.

The following protocols are to be followed for all games to be played at all Capital Fall Classic facilities and including Capital Fall Classic leased facilities. These facilities include, but not limited to Ukrop Park, Stratton Park, Glover Park, West Creek, Striker Park, Dorey Park, Capital Park, United Training Center, and River City Sportsplex.

Game Day Safety

All players, coaches and staff members must perform a temperature check and conduct a health screening prior to attending any Capital Fall Classic hosted games, related events, or activities. The temperature check and health screening can be performed by parents of minors and may be reinforced by a coach or staff member to look for signs of infection. This includes:

1. **Temperature Check** – all players, staff or family members with a temperature of 100.4 or greater are prohibited from attending any event.
2. **Health Screening** – The following are to be asked by a parent of a minor prior to attending any Capital Fall Classic activities or events:
 - a. Is your current temperature 100.4F or greater?
 - b. Have you been diagnosed with COVID-19 within the last fourteen (14) days?
 - c. Have you exhibited any signs or symptoms of COVID-19 in the last fourteen (14) days?
 - d. Have you been in close contact (within 6 feet for at least 15 minutes) of anyone that has been diagnosed with or has symptoms of COVID-19 in the last fourteen (14) days?

If the answer to any of the above questions is “yes,” you are not allowed to attend any game, related event, or Capital Fall Classic activities at any facility.

General Tournament Procedures/Guidelines:

- **Facemasks/Facecoverings:**
 - Based on the recently announced guidance from the U.S. Centers for Disease Control, we are modifying our tournament policy regarding face coverings. Face coverings will no longer be required for spectators and/or coaches attending a Richmond Strikers Tournament Series event who are fully vaccinated in accordance with CDC guidance. Proof of vaccination will not be required but we ask all spectators and participants to respectfully comply with our policy.
- **Social Distancing:**
 - Players are asked to social distance themselves as much as possible. Prior to games, walking to and from game fields, while not actually in games, and after games.
 - There will be no player handshakes with opponents before or after games. Same applies to coaches.
 - Players / Coaches are asked to refrain from sharing equipment including pennies and/or touching cones during warm-ups, etc.
 - Parents on the sidelines must follow social distance guidelines, keeping safe distances apart and limiting social contact even amongst your own team.
